TRUCK PARKING EUROPE

the trucker community

Truck Parking Europe, the largest, free and fastest growing European platform for HGV parking facilities.

We change truck parking by making it safer, easier and cheaper.

To achieve this we have build the largest and most active community for and with drivers.

HOW IT'S DONE

Drivers

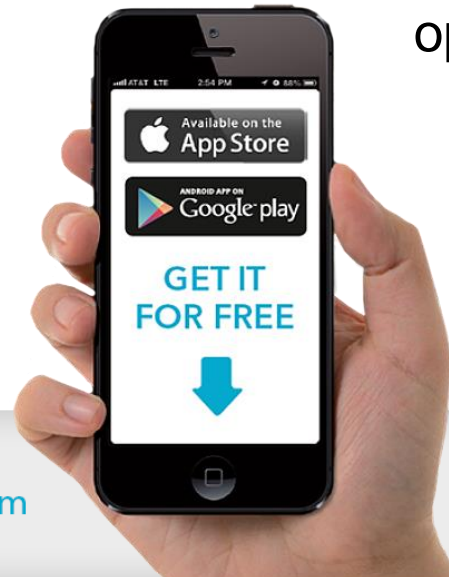

- Can park at a safe location (that can be pre-booked), report new parking's and update the occupancy

Operators

- Claim and manage their site via the portal
- Turn POI into POP
- Activate reservation option using the web app

Dispatchers

- Pre book a safe place for driver and cargo
- Save costs (insurance, theft reduction, fuel save)
